Security, Medical and other emergencies

07377 404141 or 07800 982607

For any park security issues please call the above number. For medical, police or fire related emergencies call 999.

IMPORTANT: If you call emergencies services, contact Security so that they can help with access to the park, and with the location of your home.

Two defibrillators are located on Sandy Bay Park

Prompt use of a defibrillator could help save the life of a person suffering from cardiac arrest.

Contact Security on 07377 404141 or 07800 982607

Please note, Security cannot move or lift a person.

Defibrillator 1 is located in Jack King Drive, on the building wall near to the electric gate Security hut.

Defibrillator 2 is located in Jack King Drive, on the Sandy Bay office front wall. Security have code to gain access in an emergency.

Don't let others be lonely living on Sandy Bay. Be neighbourly and actively check on fellow residents' health and wellbeing.

Sandy Bay has many retired and single residents who live on their own. If you have not seen them recently or they are not attending their usual activities, etc, then there is no reason why you should not check to see if they are OK or call them if you know their phone number.

The winter months in particular brings the risk of falls and illness. Being a good neighbour may help save a life.

Who is your SBPRA Street Champion

The role of the Street Champion

Street Champions support both the Residents Association and members by becoming a familiar and trusted person to those in their own and surrounding roads.

They are a contact point for neighbours and provide advice and support should they have an issue relating to Sandy Bay. This may include directing them to an appropriate source or relaying the issue to the Residents Association Committee.

If you are new to Sandy Bay, then please contact your Street Champion.

About the Sandy Bay Park Residents Association (SBPRA)

A message from our 2023/2024 Chairman: Emmett Larner

Dear Residents, welcome to the first edition of the Sandy Bay Useful Information Booklet. I would also like to give a warm welcome to any new residents joining our fantastic and friendly community. Emmett

History and the Aims and Objectives of the SBPRA

The association was formed not long after the first residents moved on to Sandy Bay Residential Park and initially consisted of just a few committee members looking after the interests of members.

Over time the as the number of residents increased, the number of members increased as well. Once a majority of households were members, the SBPRA were recognised as a Qualified Residents Association by the Park Management Company (as prescribed in the Mobile Home Regulations).

The committee now consists of twelve residents, assisted by Associate Members who provide specialist support as required. Elections are held yearly to select new members or re-elect existing members standing again.

The aims and objective of the SBPRA are firstly to promote residents' rights in respect of the maintenance and improvement of their living conditions, amenities, environment and to act in the interests of all residents and members.

Secondly, to ensure that the Park Management Company deliver on ALL promises made to homeowners and in particular our Leisure Facilities. More on our aims and objectives can be found in the SBPRA Constitution document available in the About Us section of the RA website.

All residents of Sandy Bay Residential Park are invited to join the association, as working together we are much stronger when it comes to resolving issues. Membership information and a downloadable application form are available in the About Us section of the RA website. Alternatively see your Street Champion.

Stay in contact, use the Residents Website and WhatsApp!

Sandy Bay Park Residents Association Website

To help residents keep up to date with information and news on Sandy Bay, and the local area, the Residents Association publish their own independent website. Information includes:

- Social events and Club information,
- Events held at the Sandy Bay Bar and Restaurant,
- Annual pitch fee notices and news on the status of park services.

For easy access, make the website your browser home page or add it to your favourites. For quick access on your Smartphone, you can use an icon (effectively an App) to take you directly to the website. Details are available in the Help Section of the website.

<https://www.sandybayparkra.com>

If you have any questions, or need assistance in setting up the website on your device, please contact the Website Support Team on the following email address: sandybaywebsite@gmail.com

Alternatively contact your Street Champion or the Residents Association who will try to assist or put you in contact with the Support Team.

Join the residents WhatsApp groups, hear about things that matter and those that don't. Seek information, support, and friendship.

- Sandy Bay Chit Chat Group: General and social discussions, etc.
- Sandy Bay News Group: Latest information on park life.
