

SANDY BAY PARK RESIDENTS ASSOCIATION

(sandybayparkra@gmail.com)

26th March 2026

Good morning all, we hope that this finds you well.

A few updates for you...

QRA: As you are all aware the existing Chairman, Vice Chair, Secretary and Treasurer are standing down from the Committee, as are a number of generic committee members. You may know that if there is not a Chairperson, Secretary and Treasurer, then there is NO QRA, these positions must be filled in order for Sandy Bay to comply. So, if you feel you can add to the Park and you have the energy, compassion and ability to liaise, attend meetings, and give your time, then do please apply!!! Closing date for Nominations is 30th March 2026 at 5.00pm. All nominations must be submitted to Tracey Wakeling by this time. If you need a Nomination form then, do please email or ask. Please remember you can only nominate yourself, as only you know if you want to take this on. If you have any questions regarding this please do not hesitate to contact Emmett, Linda, or myself.

Please email us using the Sandy Bay Park Residents Association Email address - sandybayparkra@gmail.com

Once the nominations are in, and, if there is more than one person for each position, there will be a vote. We will give you detailed information on that once the 30th March has arrived.

Please [click here](#) to see the earlier communication re the Residents Association Committee members renewal, including a link to the Roles & Responsibilities document.

Around the Park: We were going to say how amazing the weather is, but then the last 2 days has put paid to that! However, it is great to see so many people walking around the park, getting to know their neighbours and meeting new folks. Lots of new puppies are romping about, which means of course that we all know the names of the pooches, but do we know the owners?? 😊.

On that note, of getting to know your fellow Sandy Bayers, we thought that we would put out to everyone, a reminder that the park is growing, we will all see people we have not seen before, whether they are existing 5 year residents or new 5 day residents. Please read the extract below and take time to chat if you can.

SANDY BAY PARK RESIDENTS ASSOCIATION

DIVERSITY ACROSS SANDY BAY PARK

Sandy Bays commitment to a respectful and inclusive community is stated within the Sandy Bay Park Residents Constitution. Our goal is to promote an environment that accepts diversity in all its forms, including race and ethnic background, gender identity, and religious beliefs. Our different perspectives make us stronger and more innovative.

We expect every resident to treat all with dignity and empathy. We should all try to remain open to experiences that may be different to our own.

All residents should uphold our zero tolerance policy towards discrimination and harassment.

The Sandy Bay community is made up of a beautiful tapestry of backgrounds, to ensure that everyone feels that they belong, we should all focus on the core values of respect and understanding regarding RACE, GENDER AND FAITH.

We encourage our members to:

- Listen, and to seek to understand the experiences of others
- Respect, and acknowledge that whilst we may have different beliefs or identities every person deserves kindness.

We are proud of the diversity that defines us and thank you all for helping us maintain a welcoming environment for all at Sandy Bay.

Kind Regards

Tracey Wakeling - Secretary

Sandy Bay Park RA
