

SANDY BAY PARK RESIDENTS ASSOCIATION

(sandybayparkra@gmail.com)

9th April 2026

Good morning all,

As you will be aware, the votes for the Sandy Bay Residents Association Committee for 2026-2027 finished yesterday at 12.00 noon. Myself (Tracey Wakeling Secretary) Linda Shillabeer (Vice Chair) and John Saunders (an independant) counted the votes, re-counted the votes and then agreed the numbers. This was undertaken in the bar, in order to provide transparency. Thank you John Saunders for giving up your time.

The results are as follows:

Spoilt Votes: Fourteen (14)

John Odell: Fifty (50)

David Phillips: Ninety Nine (99) Congratulations David

Julie Torrence: Treasurer NO vote required as Julie was the only applicant... Congratulations Julie.

Therefore the result is that David Phillips had the most votes and is voted in by the residents to take up the position of Chairman in September. Commiserations John. Until the 31st August the existing Committee remains in post.

Thank you to all for putting yourselves forward for these positions.

Other general Committee applicants were as follows:

Mr Michael O'Brian Vice Chair.

Mr Caven O'Leary General Committee Member

Mrs Julie Crudgington General Committee Member

Mr Roger Graves General Committee Member

Mr Steven Ferguson General Committee Member

Mr Harry Toms General Committee Member

Mr Alan Rumsby General Committee Member

Mr Geoff Webb General Committee Member

The above are the only people who have applied for any positions on the Committee. As you are all aware, the existing committee has a Vice Chair and also a group of general committee members that we find very helpful. However it is for the new committee to choose their support team, including a Secretary. There have been NO applications for Secretary, which needs to be rectified by the incoming committee in order for Sandy Bay QRA to be Qualified.

Thank you to everyone that took the time to vote for your new Chairman.

Kind Regards,

Tracey Wakeling - Secretary
Sandy Bay Park RA
