The tick you can trust

We've been checking tradespeople since 1998

It all started in 1998 when a tornado struck a tiny seaside town in West Sussex.

Rogue tradespeople flooded in, bodging jobs and ripping off the locals. So, we started a directory of local tradespeople who we'd personally spoken to and checked.

We've never lost that simple dream to help our local community. From those humble beginnings, Checkatrade is the most well-known and trusted trade directory*.

We check all our members and guarantee their work for 12 months, up to the value of £1,000. Further eligibility criteria and terms and conditions apply. Read more at: www.checkatrade.com/guaranteed-terms.

The Checkatrade Standard is our member's commitment to you

As well as passing our rigorous checks, each member who joins us must agree to uphold our six quality commitments:

- ✓ Deliver a high quality of workmanship
- ✓ Maintain high standards of personal conduct
- ✓ Work safely, ethically, and within their skill set
- ✓ Communicate clearly and honestly
- ✓ Agree costs and contract terms upfront
- ✓ Encourage and welcome customer reviews

You can find the full Checkatrade Standard on our website: checkatrade.com/checkatrade-standard

Let our members know how they're performing against these commitments by leaving them a review.
