

SANDY BAY PARK RESIDENTS ASSOCIATION

(Sandybayparkra@gmail.com)

Dear Residents,

We wanted to take a moment to explain why, this year, the QRA will not be having associate members.

As a new committee, we have been looking at the roles and responsibilities within the QRA and how we can make sure that all of the voted-in committee members have an active role to fulfil.

At a recent committee meeting, it was discussed and agreed that the roles previously carried out by associates would instead be allocated to the elected committee members. This means that each committee member has a specific area of responsibility and can play an active part in supporting residents and moving the QRA forward.

There were seven out of the nine committee members present at the meeting, and the decision was unanimous.

We would like to stress that this decision is not a reflection on, or criticism of, any of our previous associates. We appreciate the time, help and commitment that associates have given to the QRA and to residents.

The decision was simply about ensuring that the people who have been voted onto the committee are given meaningful roles and responsibilities, and that we work together as a team.

As a new committee, we are still finding our feet and putting systems in place, but our aim is to create a QRA that is organised, approachable and works together for the benefit of all residents.

Thank you for your understanding and continued support.

Kind Regards

Amanda J Bastable - Secretary
